Warsaw, 22.04.2026

In connection with the **implementation of the project entitled „Modification of the Master’s Degree Programme in Dietetics at the Warsaw College of Engineering and Health” co-financed by the European Union under the European Funds for Social Development 2021–2027 (FERS), Priority 1: Skills, Measure 01.05: Skills in Higher Education**

Agreement No: FERS.01.05-IP.08-0012/23-00

The Rector of the Warsaw Medical and Technical Academy of Applied Sciences invites again all interested parties to apply for participation in the **International Online Study Visit**

1. Participant Requirements:

- academic title of a professor or academic degree of a habilitated doctor or academic degree of a doctor of sciences;
- declaration of employment at a higher education institution (minimum 5 years);
- professional experience and/or academic achievements in the field of the green transformation of the food production sector, including sustainable development, environmental efficiency, and alignment with EU policies;
- communicative competence of English, i.e. enabling free communication in an international environment.

The supplementary call for International Online Study Visit shall include:

- a) 1 representative of foreign higher education institution.

Academic teachers employed at the Warsaw Medical and Technical Academy of Applied Sciences as their primary place of work are excluded from the application process.

2. Expected scope of works:

Participants of the **International Online Study Visit** will take part in meetings aimed at discussing the green transformation of the food production sector, using Poland and other European countries as examples.

FRAMEWORK AGENDA OF THE MEETINGS

1st Day

1. Analysis of the impact of intensive agricultural production on climate and soil.
2. Analysis of the economic and environmental impacts of climate regulations.
3. Analysis of technological and ethical barriers.
4. Analysis of the impact on the market, health, and culinary traditions.
5. Analysis of the effectiveness of environmental support.

2nd day

1. Analysis of climate awareness and its impact on purchasing decisions.
2. Analysis of the effectiveness of the circular economy.
3. Analysis of actual corporate actions.

4. Analysis of production efficiency on a local vs. global scale.
5. Analysis of the impact of ethics on food economics.

3. Meeting dates: **May 2026 – June 2026**

4. Legal and formal information regarding the involvement: **the meetings referred to in point 2 shall take place with the use of ICT tools; meetings shall be held in English; the total number of meetings is 12 hours divided into 2 days 6 hours each. The dates of the meetings shall be agreed with all members of the International Online Study Visit and approved by the Project Manager.**

The remuneration for the members of the International Online Study Visit shall be paid on the basis of the civil law agreement, after the completion of the series of meetings [i.e. 2 days], including confirmation of attendance at each of them.

5. Individuals applying to participate in the International Online Study Visit are requested to submit the following documents:
 - written application – **form No. 1 enclosed to the announcement;**
 - a current resume confirming that the participant requirements referred to in point 1 have been met – **Appendix No. 1 to the application;**
 - a declaration of employment at a higher education institution (minimum 5 years);
 - authorisation to process personal data – **Appendix No. 2 to the application.**
6. The application with appendices should be:
 - sent via e-mail to: rektorat@wsiiiz.pl – [scan with signature or electronic signature] with a note in the title of the message: **supplementary call – International Online Study Visit**

or

 - delivered via post/courier in a sealed envelope with a note on the envelope: **supplementary call – member of the International Online Study Visit** to the address: **Rector's Office, ul. Bitwy Warszawskiej 1920 No. 18, 02-366 Warszawa.**

or

 - delivered personally to the Rector's Office [floor III] ul. Bitwy Warszawskiej 1920 No. 18, 02-366 Warszawa, in a sealed envelope with a note on the envelope: **supplementary call – member of the International Online Study Visit.**
7. Participants of the **International Online Study Visit** shall be selected on the basis of a formal verification of the submitted documentation, i.e. its completeness and correctness, as well as the candidate's fulfilment of the participant requirements referred to in point 1.
8. In the event that the number of applications exceeds the available number of places, the order of submission will determine the outcome.
9. Candidates will be notified of the results of the supplementary call by email on **4 May 2026**.

Appendix No. 2 to the application

AUTHORISATION TO PROCESS PERSONAL DATA

1. The Warsaw Medical and Technical Academy of Applied Sciences (registered at ul. Bitwy Warszawskiej 1920 No. 18, 02-366) is the Personal Data Controller. The Personal Data Controller can be contacted via the email address administratordanych@wsiiz.pl, by phone at +48 22 562 35 00 or in writing to the address of the controller's seat.
2. Personal data shall be processed in order to carry out the contractor selection process.
3. Providing personal data is voluntary, but essential and necessary to carry out the process of selecting a participant of **the International Online Study Visit**. The applicant has the right to request from the Warsaw Medical and Technical Academy of Applied Sciences access to personal data, rectification, deletion or limitation of processing, as well as the right to object to the processing and transfer of data. If it is found that the processing of personal data is inconsistent with the GDPR and the Act on the protection of personal data, the applicant has the right to lodge a complaint with the President of the Office for Personal Data Protection.
4. The legal basis for the processing of personal data is Article 6(1)(b) of the GDPR, which means that processing is necessary to take action on request before concluding the contract and consenting to the processing of personal data.
5. The recipient of personal data are the Rector's Office, its intermediary units and units supervising the proper implementation of the Project co-financed by the European Union under the European Funds for Social Development..
6. Personal data shall be processed for the duration of the Project, and then for the period of its correct settlement.
7. Your personal data shall not be profiled and shall not be transferred outside the European Economic Area or to an international organisation.

I consent to the processing of my personal data by the Warsaw Medical and Technical Academy of Applied Sciences (registered at ul. Bitwy Warszawskiej 1920 No. 18, 02-366) in order to: carry out the process of selecting a participant of the **International Online Study Visit**. I have been informed about my rights and obligations. I acknowledge that providing my personal data is voluntary.
